

Sue finds tweed in shop window

The Local

CHALLENGES being set for Sue Woolley in our Shop Local campaign are proving ever more testing.

This week Sue tracked down tweed fabric to make skirts – at Finishing Touches in South Street.

Sue said: "I thought it was going to be really difficult but I was in my car and looked out the window and saw some material in the shop window.

"When I came in there were lots of different samples and pieces of material which can be ordered.

"This shop also provides an alterations service and one-off

designs to buy."

Owner of Finishing Touches, Lynn Roper said: "I am pleased that The Local and Sue Woolley are encouraging people to shop in Bourne."

Pledging she can find the material you want she added: "I've never been defeated yet."

Each week Sue tries to track down one item suggested by a reader and over the coming weeks she hopes to reveal where to buy or order nylon guitar strings, a touch-up paint stick for a car and a lazy Susan.
